

Biaglass Glass Works was established in 1929 and has specialized in the production of mouth blown glass lampshades and lighting. Biaglass belongs to elite group of Glass Works in Europe, where 100% of production is hand produced.

Highly developed manual skills of our blowers and specialists from glass treatment assure the highest quality of lampshades produced from clear glass and opal glass (triplex glass). Production of glasses products with complicated shapes and big dimensions have found approvement around many of national and international customers. More than 80% of our products are exporting to the best lighting companies, from which 60% are Italian customers.

The basic of being the best in this area is good organized process of providing quality on each step of production. The group of people which are trained and specialised are taking care of meeting the customers requirements.

We hope that products produce by Biaglass will fully satisfy your customers and thanks to that we will be able to enter into long and fruitful cooperation.

passion for lighting

Biaglass Glashütte Bialystok entstand 1929 und spezialisiert sich in der Herstellung von mündgeblasenem Beleuchtungsglas, sowie fertiger Beleuchtung. Biaglass gehört zu elitärer Gruppe der Glashütten, wo 100%-ige Produktion handgemacht wird.

Die hohe Qualifikationen unserer Bläser und Spezialisten von Glasverarbeitung versichern höchste Qualität der durchsichtigen und Opal-Glasbeleuchtung (Triplexglas).

Die Herstellung von schwierigen und komplizierten Formen und gleichzeitig großen Massen wurde bei vielen Inland- und Auslandskunden geschätzt.

Über 80% unserer Produktion wird zur besten Beleuchtungsfirmen der Welt exportiert, davon 60% - nach Italien.

Ein gut organisierter Prozess der Qualitätssicherung in jedem Produktionsabschnitt ermöglicht in dieser Branche der Beste zu sein. Ein Team von speziell dafür ausgebildeten Menschen hat die Aufgabe die Forderungen der Kunden zu erfüllen.

Wir hoffen, dass unsere Produkte, die mit Händen unserer Mitarbeitern hergestellt werden, Ihre Vorstellungen erfüllen, und Sie mit uns eine lange und erfolgreiche Zusammenarbeit aufnehmen.

Biaglass Huta Szkła Białystok powstała w 1929 roku i specjalizuje się w produkcji dmuchanych kloszy oświetleniowych i gotowego oświetlenia. Biaglass należy do elitarnej grupy hut szkła oświetleniowego, gdzie 100% produkcji jest wykonywana ręcznie.

Wysokiej klasy umiejętności hutników oraz specjalistów od obróbki szkła zapewniają najwyższą jakość kloszy oświetleniowych, produkowanych ze szkła bezbarwnego oraz szkła opalowego (trójwarstwowego).

Formowanie wyrobów trudnych o skomplikowanych kształtach i jednocześnie o dużych gabarytach znalazło uznanie u wielu krajowych i zagranicznych odbiorców. Ponad 80% produkcji jest eksportowane do najlepszych światowych firm oświetleniowych, z tego 60% stanowią włoscy klienci.

Podstawą bycia najlepszym w tej branży jest dobrze zorganizowany proces zapewnienia jakości na każdym etapie produkcji. Zespół ludzi specjalnie dobranych i przeszkolonych dba o spełnienie Państwa wymagań.

Nasza firma wciąż idzie do przodu i dlatego zacieśniliśmy współpracę z uczelniami artystycznymi w szczególności tymi, które kształcą przyszłych projektantów szkła. Dając im szansę odbycia praktyk u nas, dajemy szansę Państwu i sobie na poznanie nowych, ciekawych projektów, nawiązania interesujących kontaktów oraz zaszczepienie młodym ludziom bakcyli projektowania oświetlenia.

Nie tylko studenci mogą skorzystać z naszej wiedzy i narzędzi. Szansę tą dajemy również wszystkim zainteresowanym projektantom, zachęcając ich do odwiedzenia naszej huty i współpracy.

Mam nadzieję, iż produkty, jakie wychodzą z pod ręki naszych pracowników w pełni Państwa zadowolą, a co za tym idzie, nawiążą Państwo z nami długą i owocną współpracę.

Na podlasiu w dzikiej puszczy
gdzie Żubr swa siedzibę ma, tam wyrosło
piękne miasto co się Białymstokiem zwie.

To w nim mekkę swa odkryli znawcy piękna,
sztuki szkła i swa twórczość przelewają
z masy szklanej w cudny skarb.

Kto choć raz zobaczy dzieło i powiesi
w domu swym, blask od niego gorejący
w mig zafascynuje sercem twym.

Wiec nie czekaj mój kochany
i w mig odwiedź stronę tą www.biaglass.pl
bys już jutro mógł sie stać
posiadaczem cudnych szkła.

Dług
